## Who We Help. Why We Care.

Committed to helping victims of poverty, violence, and social isolation, and to promoting the empowerment of women and girls.

This commitment is reflected in projects such as:

- **Thailand:** providing financial support for a centre with 358 pupils and young people rescued from poverty or human trafficking.
- **Argentina:** providing education and vocational training in remote rural areas to empower women and mothers.
- **Tanzania:** providing families in need with vocational training in regenerative farming techniques.
- **South Africa:** supporting a welcome centre for babies, children, and young people who are victims of abuse or sexual exploitation.

50 Nations. 1 Weekend. One Shared Mission.
